Index

SUBJECTS

Acitretin and nail growth (paper summary), 261
Acne, antibiotic therapy and multiple-resistant staphylococci (Poster summary), 282
Acne, bacterial resistance with minocycline and tetracycline treatment, 233
Acne, isotretinoin and sebum excretion rate (Paper summary), 260
Acne, isotretinoin treatment and vitamin A concentration (Paper summary), 259
Acne, the effect of 13-*cis* retinoic acid on neutrophils (Poster summary), 286
Acral granulomatous dermatosis, 709
Adenylate cyclase and diacylglycerol protein kinase C, 459
Adenovirus infection with bullous eruption (Correspondence), 839
Adult mastocytosis, 737
Ageing dermis, Suppl. 35, 5
Ageing, the effect of methyl nicotinate on the skin microcirculation, 165
Ageing skin, clinical features, Suppl. 35, 1
Ageing skin, environmental influences, Suppl. 35, 55
Ageing skin, physiological changes, Suppl. 35, 13
Ageing skin, pigmentary changes, Suppl. 35, 21
Ageing skin, structural changes, Suppl. 35, 61
Agminate lichen follicularis (Correspondence), 844
Albendazole and larva migrans, 99
Allergic contact dermatitis, dose response, 491
Allograft cultures for skin ulcers, 81
Antibiotics and oral contraceptive, interactions (Correspondence), 717
Aquagenic pruritus and idiopathic hypereosinophilic syndrome, 103
Atopic dermatitis and cyclic AMP-specific phosphodiesterase activity (Poster summary), 281
Atopic dermatitis and neuropeptides, 745
Atopic dermatitis and nicotinamide (Poster summary), 280
Atopic dermatitis and papaverine, 553
Atopic dermatitis, premenstrual exacerbation (Correspondence), 114
Atopic dermatitis, reactions to substance P and histamine, 343
Atopic dermatitis, sedative versus non-sedative antihistamine, 545
Atopic eczema and cartilagenous pseudocyst, 699
Atopic eczema and nedocromil sodium, 817
Atopic eczema and trace metal levels, 485

Bacterial products, effect on fibroblasts and keratinocytes, 23

Book Reviews:
Acne. W.J. CUNLIFFE, 428
A Colour Atlas of AIDS in the Tropics. M.A. ANSARY, S.K. HIVA, C. CHINTU and S.L. NYAYWA, 124
A Colour Atlas of Dermato-Immunohistiocytology. Edited by H. NEKI and H. YAOITA, 427
A Colour Atlas of Nursing Procedures in Skin Disorders. L.A. STONE, E.M. LINDFIELD and S. ROBERTSON, 431
Current Topics in Contact Dermatitis. Edited by P. FROSCH, A. DOOMS-GOOSSENS, J.M. LACHAPELLE, R.J.G. RYCROFT AND R.J. SCHEPER, 720
Cutaneous Electrosurgery. J.E. SEBBENS, 573
Dermabrasion and Chemical Peel: A Guide for Facial Plastic Surgeons. E.G. MCCOLLOUGH, 848
Differential Diagnosis in Dermatopathology II. A.B. ACKERMAN, J.L. TROY, L.B. ROSEN, S. JERASUTUS, O.R. WHITE and D.F. KING, 573
Formaldehyde Sensitivity and Toxicity. Edited by S.E. FEINMAN, 574
Illustrated Cutaneous Laser Surgery: A Practitioner's Guide. J.S. DOVER, K.A. ARNDT, R.G. GERONEMUS, S.M. OLBRICHT, J.M. NOE and R.S. STERN, 848
Immunological Diseases. Edited by M. SAMTER, D.W. TALMAGE, M.M. FRANK, K.F. AUSTIN and H.N. CLAYMAN, 429
Mycobacterial Skin Disease. Edited by M. HARAHAP, 292
Nickel and the Skin: Immunology, Toxicology. Edited by H.I. MAIBACH and T. MENNE, 849
Opportunistic Infections in Patients with the Acquired Immunodeficiency Syndrome. Edited by G. LEOUNG and J. MILLS, 427
Oxford Handbook of Clinical Specialities. J.A.B. COLLIER and J.M. LONGMORE, 124
Pathology of the Skin: with Clinical Correlations. P.H. MCKEE, 847
Pharmacology and the Skin. Edited by N. REICHERT and B. SHROOT, 432
Psoriasis and Eczema. Edited by L. FRY, 430
Radiation Measurement in Photobiology. Edited by B.L. DIFFEY, 847
Skin Manifestations of AIDS. N.S. PENNEYS, 849
Surgical Gems in Dermatology. Edited by P. ROBINS, 575
Systemic Sclerosis: Scleroderma. Edited by M.I.V. JAYSON and C.M. BLACK, 430
Textbook of Pediatric Dermatology. Edited by R. RUIZ-MALDONADO, L.C. PARISH and J.M. BEARE, 574

Bullous pemphigoid and novel monoclonal antibodies to hemidesmosomes (Paper summary), 263
Bullous pemphigoid sera, two major antigens, 435

Calgranulin expression and binding in cultured keratinocytes (Poster summary), 284
Ciprofloxacin photosensitization (Paper summary), 273
Contact dermatitis, effect of allergen combinations, 623
Contact sensitivity, phenotype of lymph node antigen-bearing cells (Poster summary), 281
Cornified envelopes and congenital keratinization disorders, 15
Cowpox with sporotrichoid spread, 705
Cutaneous mastocytosis (Correspondence), 571
Cyclosporin A, action in psoriasis, Suppl. 36, 5
Cyclosporin A and atopic dermatitis, Suppl. 36, 41
Cyclosporin A and autoimmune disease, renal function, Suppl. 36, 101
Cyclosporin A and contact hypersensitivity impairment (Paper summary), 264
Cyclosporin A, four years experience in psoriasis, Suppl. 36, 13
Cyclosporin A and lichen planus (Correspondence), 121
Cyclosporin A and psoriasis (Correspondence), 113
Cyclosporin A and psoriasis, Suppl. 36, 1
Cyclosporin A and psoriasis, the Dutch experience, Suppl. 36, 27
Cyclosporin A and psoriasis, low-dose studies, Suppl. 36, 33
Cyclosporin A and psoriasis, renal biopsies, Suppl. 36, 95
Cyclosporin A and psoriasis, renal function, Suppl. 36, 85
Cyclosporin A and psoriasis, renal function and blood pressure, Suppl. 36, 57
Cyclosporin A and psoriasis, side-effects, Suppl. 36, 47
Cyclosporin A and psoriasis, USA experience, Suppl. 36, 21
Cyclosporin A and renal function, 665
Cyclosporin A and renal side-effects, Suppl. 36, 71
Cyclosporin A and systemic sclerosis, 677
Cyclosporin A, effect on cultured human keratinocytes, 173
Cyclosporin A, interaction with carbamazepine (Correspondence), 425
Cyclosporin A levels in blister fluid, 671
Cyclosporin A withdrawal and generalized pustular psoriasis (Correspondence), 719
Cytokines in atopic dermatitis and psoriasis, 587

Darier's disease, vesiculo-bullous, 831
Delayed-type hypersensitivity to intravesical mitomycin C, 217
Dermal papilla and epidermal cell co-culture (Paper summary), 267
Dermal papilla cells and mitogenic factors (Poster summary), 289
Desmosomal glycoproteins and sugar protection (Poster summary), 289
Dinitrochlorobenzene, area of application and sensitization, 29
Discoid LE and major histocompatibility complex antigens, 723
Dithranol-induced inflammation and BN 52021, 539
Dystrophic epidermolysis bullosa inversa and type VII collagen, 383

Eicosanoids, generation and effects in dermal equivalent (Poster summary), 278
Endothelial cell responses to histamine and substance P (Paper summary), 275
Epidermolysis bullosa acquisita antigen and type VII collagen, 577
Epidermolytic hyperkeratosis, 417
Erythema of the hands and sympathomimetic infusion (Correspondence), 116
Erythropoietic protoporphyria and iron therapy (Correspondence), 423
Erythropoietic protoporphyria and mast cell activation, 501
Erythropoietic protoporphyria: inhibition of photosensitivity with terfenadine (Paper summary), 273
Erythropoietic protoporphyria, photosensitivity and terfenadine, 809
Etretinate alopecia, 751

Fluconazole, candidiasis and tinea pedis (Correspondence), 839
Foot malodour and chemical compounds, 771
Freeze injury, hair follicle destruction and regeneration (Paper summary), 267
French triple centenary (Correspondence), 847

Graft-versus-host disease and lichen planus (Correspondence), 841
Griseofulvin and serum cholesterol (Poster summary), 285

Hair follicle dermal papillae induce hair growth (Paper summary), 266
Hair growth cycle and mRNA expression (Poster summary), 279
Heat-shock proteins and human skin cells (Paper summary), 269
Hepatoerythropoietic porphyria and uroporphyrinogen decarboxylase deficiency, 365
Herpes simplex virus infection and antigen presentation, 33
Herpes simplex virus infection and exposure to asymptomatic patients (Correspondence), 117
Hidradenitis suppurativa and the follicular epithelium 763
House dust mite eradication using natamycin (Correspondence), 426

IL-1 α and β in eccrine sweat-gland, 315
IL-1 α, the cellular response to intradermal injection (Paper summary), 276
IL-8-induced lymphocyte migration and calcium-channel antagonists (Paper summary), 277
Infantile digital fibromatosis, spontaneous regression (Correspondence), 119
Inhaled corticosteroids and skin thinning (Paper summary), 268
Intercellular adhesion molecule-1 expression and protein kinase C, 333
Interferon α 2a treatment and LE, 405
Interferon-gamma and normal skin, 451
Irritant dermatitis and increased stratum corneum turnover, 793

Isotretinoin and deliberate self-poisoning (Correspondence), 840
Isotretinoin and serum lipid elevation, 531
Isotretinoin, folliculitis and pyoderma gangenosum, 683

Jessner's lymphocytic infiltration and etretinate (Correspondence), 570
Junctional epidermolysis bullosa letalis, keratinocytes and phenotypic expression in culture, 137

Keratin 17, cloning, sequencing and chromocomal localization (Paper summary), 272
Keratinocyte intracellular free calcium and 1-α-25-dihydroxyvitamin D3 (Paper summary), 270
Keratinocytes, accessory function (Paper summary), 264
Keratinocytes and intracellular free calcium (Paper summary), 269
Keratitis, ichthyosis and deafness syndrome, 689

Langerhans cell histiocytosis and immunological abnormalities, 563
Langerhans cells and type 3 complement receptor, 127
Lichen planus following HBV vaccination (Correspondence), 424
Lymphocyte response to locomotor stimuli (Poster summary), 287

MAC 387 expression by skin epithelial cells, 61
Malignant melanoma, aetiology, 43
Malignant melanoma and effect of public education campaign, 53
Malignant melanoma, increased receptor cross talk (Paper summary), 265
Malignant melanoma, prognosis and HLA-DR expression (Paper summary), 280
Malignant melanoma, three dimensional cultures and image analysis (Paper summary), 265
Mechanical properties of forearm and vulvar skin, 607
Melanogenesis, calcium/calmodulin inhibitory control *in vitro* (Paper summary), 266
Melanoma cell aggregation and retinoic acid inhibition (Poster summary), 282
Metastatic melanoma cell adhesion and N,N-dimethylformamide (Poster summary), 283
Methotrexate and *Pneumocystis carinii* pneumonia (Correspondence), 291
Methotrexate, hepatic fibrosis and serum type III procollagen peptide, 1
Methotrexate, side-effects, Suppl. 36, 127
Microwave radiation and transdermal delivery systems, 361
α-MSH and cyclic AMP in human melanocytes (Paper summary), 266
Multinucleate cell angiohistiocytoma, 651
Mutilating keratoderma, Olmsted's syndrome, 245

Naevus corniculatus, 107
Necrotizing vasculitis and atherosclerosis (Correspondence), 120
Neuropeptides, atopic dermatitis and psoriasis (Correspondence), 838
Nickel-keratinocyte interaction and sensitization, 729
Nickel sensitivity and high nickel diet, 299
Nickel sensitivity and HLA antigens, 309
Nickel sensitivity and *in vitro* lymphocyte transformation test, 293
Nipple papilloma and HPV 41, 757

Obituary:
Professor G. Findlay, 835
Ornithine decarboxylase activity in neonatal pig skin (Paper summary), 270

Palmoplantar pustulosis and ABO blood group antigen non-secretion (Poster summary), 285
Patch testing with mixtures of allergens (Paper summary), 263
Pemphigoid gestationis and antigen-presenting cells, 593
Pemphigoid gestationis; Western blot analysis, 445
Phospholipase A_2, inhibition by the nonapeptide HDMNKVLDL (Paper summary), 277
Phospholipase A_2, purification and inhibition (Paper summary), 278
Photoageing, effect of topical retinoic acid, Suppl. 35, 93
Photoageing, reversal with tretinoin therapy, Suppl. 35, 87
Photoageing and tretinoin therapy, Suppl. 35, 83
Photochemotherapy with 4,4,6 trimethylangelicin, effect on murine immune cells, 9
Photochemotherapy with 6-methylangelicins, 512
Photosensitivity in the elderly, Suppl. 35, 29
Plasma-associated lymphocyte chemoattractant (Paper summary), 276
Plasma exchange and vasculitis, 411
Platinum complexes, effect on cultured human fibroblasts (Paper summary), 262
Polychlorinated biphenyls, transplacental exposure and dermatological abnormalities, 799
Porphyria, homozygous variegate, 253
Port wine stains and vasoactive responses, 615
Propylene glycol and hyperosmolality, 77
Prostaglandin E_2, release from endothelial cells by pro-inflammatory mediators, 153
Psoriasis and phenylethanolamine N-methyltransferase-like immunoreactivity, 195
Psoriasis and the eosinophil granulocyte, 181
Psoriasis and the microvasculature (Paper summary), 262
Psoriasis and the systemic effect of topical treatment (Poster summary), 283
Psoriasis, cAMP generation in cultured fibroblasts (Paper summary), 261
Psoriasis, keratin levels during treatment with vitamin D3 analogue MC903 (Poster summary), 284
Psoriasis, nails, joints and autoimmunity (Correspondence), 569
Psoriasis, polymorphonuclear cells and cultured endothelium (Poster summary), 279
Psoriasis, proliferation and keratinization markers, 469
Psoriatic arthritis and extracorporeal photochemotherapy, 225
Psoriatic epidermis and elastase, 631
Psoriatic fibroblasts and cyclic AMP, 477
Psoriatic fibroblasts and keratinocyte proliferation (Poster summary), 287
PUVA, eumelanin and phaeomelanin concentration (Poster summary), 288
PUVA, side-effects, Suppl. 36, 117

Ras gene mutation and non-melanoma skin cancer (Paper summary), 271
Retinoic acid for solar damage, 91
Retinoic acid receptors (Paper summary), 271
Retinoic hyperlipidaemia and low-fat diet (Paper summary), 260
Retinoids and psoriasis, risk-benefit ratio, Suppl. 36, 135
Ringworm, species and density of infection (Poster summary), 288
Ro/SSA antigen expression and cultured keratinocytes (Paper summary), 269
Rothmund–Thompson syndrome, 821

Scleroderma and basement-membrane degrading collagenase (Poster summary), 286
Scleroderma and factor XIII, 371
Scleroderma, non-invasive study, 785
Sebaceous glands and retinoid metabolism (Paper summary), 259
Seborrhoeic dermatitis and lithium succinate (Correspondence), 718
Sebum and seborrhoeic dermatitis, 71
Senescence in the skin, Suppl. 35, 49
Skin ageing and immune competence, Suppl. 35, 77
Skin cancer incidence in West Glamorgan, 399
Skin senescence, Asian experience of treatment, Suppl. 35, 105
Skin senescence, Italian experience of treatment, Suppl. 35, 97
Skin senescence and sunscreens, Suppl. 35, 11
Skin tumours in the elderly, Suppl. 35, 71
